Country house in Dénia / Jesús Pobre. Rustic-style country house in Jesús Pobre surrounded by nature, in a quiet area without car noise and with easy access. Completely flat plot of 1,600m2. The house has more than 200 m2 and is built all on one floor, it is distributed in a living room - dining room with fireplace, open kitchen with laundry room, five large bedrooms, two bathrooms and several large terraces. It also has several storage rooms, BBQ, terrace with pergola. The house needs renovation although the roof has been renovated and the windows have been changed. Very large garden, patio and large parking area. A few minutes away is the center of Jesús Pobre, Jávea, Gata and La Sella.
