Located in Finestrat, this luxurious villa is surrounded by green areas that blend perfectly with the imposing Sierra Cortina, creating a natural and peaceful environment. The gardens, with native plants, offer a direct connection between the villas and the surrounding landscape, providing a relaxing and exclusive atmosphere. With a constructed area of 315.66 m² and plots ranging between 556 and 713 m², each villa offers 4 bedrooms and 4 bathrooms, with a layout spanning three floors. On the first floor there are two ensuite bedrooms, next to a spacious terrace with panoramic views of Benidorm, the sea and the mountains. The second floor is dedicated to the master bedroom suite, also with access to another private terrace. In addition, the villa has a solarium, ideal for enjoying the sun and the views. Private parking, swimming pool, air conditioning, access control and wifi are some of the amenities that make this property a luxury home. Residents will also be able to enjoy the proximity to the golf course, making this villa a perfect location for those looking for an exclusive lifestyle.
