Charming two-bedroom apartment in the old town of Villajoyosa, right on the riverbank with beautiful sea views. Upstairs on the second floor, you'll find a modern and inviting apartment with a living-dining room and balcony offering spectacular views of the sea and the river valley. The apartment comprises one enclosed bedroom and another in the attic above the living-dining room, a bathroom with a walk-in shower, and a fully equipped open-plan kitchen. Air conditioning is installed in the open-plan living-dining room and attic. Cozy yet modern, it has been recently and tastefully renovated while preserving rustic touches such as the exposed wooden beams on the ceiling and the balcony door typical of Villajoyosa's old town. Close to everything and in the heart of Villajoyosa, the beach is just a 10-minute walk down the Costera de la Mar, or past the traditional colorful houses. Wi-Fi is not currently installed, but it can be added quickly.
