We present to you an exclusive promotion located in one of the most privileged areas near Altea. In a quiet environment, with magnificent views and excellent orientation, these homes allow you to enjoy the warm climate of the Costa Blanca all year round. Its strategic location places the residential area just a few minutes from Altea, La Nucía, and Alfaz del Pi, with private access via a closed road that leads only to the 8 homes that make up the complex. Each home has been designed to offer spaciousness, brightness, and functionality. On the ground floor, you will find a cozy livingdining room, open kitchen, and gallery, all connected to the private garden that includes a barbecue area and pool, ideal for daily enjoyment. On the upper floor, there are two bedrooms with ensuite bathrooms and access to a bioclimatic terrace. At the back, a solarium with a glass railing offers an ideal space to relax outdoors. Each property comes with three parking spaces, ensuring comfort and security. We invite you to consult our catalogs to learn about all the details and extras included in this exclusive project designed for those seeking quality of life on the Costa Blanca.
