The property is comfortably distributed on a single floor. Upon entering, there is a spacious entrance hall with a glazed terrace, which leads into the main house. It features a bright living-dining room with a fireplace, connected to a fully equipped independent kitchen with a breakfast bar open to the living room. A hallway leads to the sleeping area, where the bedrooms are located, one of them with an en-suite bathroom. In addition, the property has a second full bathroom and a spacious dressing room. It also includes a closed garage with space for one car, as well as additional parking space for another vehicle within the plot. Outside, the property offers a large garden, summer kitchen, swimming pool, and a pleasant chill-out terrace, ideal for enjoying the sea views and sunshine all day long. As an added value, the property includes a guest apartment with independent access, arranged as a studio with kitchen, sleeping area, and bathroom with shower. The property was completely renovated in 2022 and is therefore in exceptional condition.
