Spectacular Mediterranean style villa with guest house in Altea La Vella. This fantastic property is located in a very private area, surrounded by a beautiful natural environment. The main house and the guest house are separated by a garden with all kinds of fruit trees and pool area, each of the houses totally independent of the other. The main house is distributed in 3 heights (pl.garage + pl.baja + pl. alta) connected by internal staircase and elevator. It consists of a large leisure room in which you can enjoy a billiards room, cinema, gym, sauna area (with their respective bathrooms) and cellar. It has a large hall, 5 bedrooms, 4 bathrooms and 1 toilet, living room, kitchen with access to the terrace and laundry room. It also has a garage for several cars (56 cars). The guest house is distributed in 2 heights connected by internal staircase. It consists of living room with kitchenette, 1 bedroom, 1 bathrooms and terrace. Both houses have electricity supply connected to photovoltaic panels.
